The Model T Ford Club International, Inc., in conjunction with the Model T Ford Club International Foundation, Inc., is pleased to announce that Mr. and Mrs. John Stynoski have agreed to fund an Annual Special Tour Award, for the next 25 years. The recipients of the award will receive the sum of \$9,600 for the purpose of attending the annual tour, if the annual tour is held outside of the country of residence of the recipients, or \$4,600 if the tour is held within the recipient's country of residence. Receipts of expenses will be required. The recipients must be at least 25 years of age. The recipients will be selected, together with two other members (couple) as runner-ups, who will, minimally, be honored by a plaque of distinction.

The process by which the recipients of this award are selected will be: A chapter and/or individuals can nominate two couples, in good standing with the MTFCI, who would represent their group at a MTFCI tour. Members to be considered would be those who would truly deserve and appreciate such an award.

Winners will be chosen, by careful consideration, by the MTFCI Board of Directors and announced at the Annual MTFCI Tour in July.
